

MARIAH PARKER INDO LATIN CHAMBER JAZZ SEXTET

Featuring **MATTHEW MONTFORT** guitar **PAUL McCANDLESS** woodwinds
IAN DOGOLE global percussion **KASH KILLION** bass **JIM HURLEY** violin

"Parker and friends blend the rhythmic syncopations of Latin jazz music with the entrancing, asymmetrical meters of East Indian rhythms resulting in first-class world music."

— LATIN BEAT MAGAZINE

"Like all the best jazz bands, this group is as disciplined as it is innovative, stopping on a dime when the composition calls for it and soaring into gorgeous landscapes of free association the next moment that are as pleasing as they are adventurous."

— Paul Liberatore, MARIN INDEPENDENT JOURNAL
